

The Cloverdale Christmas Hamper Program

This is a *community effort that serves the less fortunate individuals of Cloverdale* with hampers, including non-perishable food, sundries & gifts, in order to make the Christmas season a happier time for those who might otherwise be unable to enjoy this time of year.

It is our mission to extend ourselves to serve underprivileged & struggling individuals & families of Cloverdale in a practical way. This program relies on the generous support of individuals, businesses & churches in our area.

Did you know?

In 2014 we gifted close to **300 hampers** for more than **600 local residents**. That included upwards of **50,000 pounds** of food & sundries!

Thank you for your support!

Without the assistance of community-minded individuals, we would not have the opportunity to let those that receive hampers on December 19 know that they have not been forgotten.
