

WALK. VOLUNTEER. DONATE.

The Coldest Night of the Year is a fantastically fun, family-friendly walking fundraiser that raises money for the hungry, homeless and hurting. Please come out and support the Cloverdale Community Kitchen, which offers a place of safety and support to those who are struggling. Every year, the kitchen serves more than 12,000 hot, nutritious meals to those in need. This year's fundraiser will help the kitchen continue to do its important work.
