

CLOVERDALE IN THE NEWS

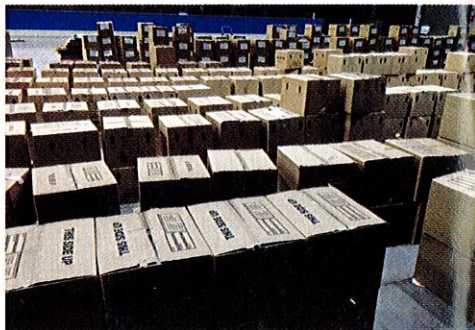

Cloverdale Christmas Hamper Program

Christmas can be a particularly stressful time for families and individuals who are struggling to make ends meet. The Cloverdale Christmas Hamper Program is a community effort to serve the less fortunate fam-

ilies of Cloverdale with hampers including non-perishable food, household items, and gifts in order to make their Christmas season more joyful.

It is our mission to extend ourselves to serve the underprivileged and struggling individuals and families in a practical and help al-

leviate some of the stress the season brings. This program relies on the generous support of individuals, schools, businesses and churches in our community.

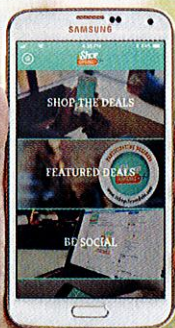

We serve many families, seniors and individuals each year including over 275 chil-

dren and youth. With the toy donations we receive each year, we set up a toy room that families can shop in order to pick a gift for each of their children for Christmas.

Our program welcomes new, unwrapped toys for children from newborn to 12 years old. Each year we find that we are particularly in need toys for boys between the ages of 7 and 12. Please consider donating for this demographic.

We find that the best gifts for youth between the ages of 13 and 18 are gift cards because of their diverse interests. Our hope is to be

able to provide a gift card for each of the teens this year. We are welcoming gift cards to local malls, sports stores, or clothing and accessories stores. You may also consider making a cash donation so that we can purchase gift cards for these older children.

Thank you in advance for your support! Financial donations over \$5 will receive a charitable donation receipt in February 2019 for the 2018 tax year.
