CLOVERDALE
CHRISTMAS HAMPER
PROGRAM**

This is a community effort to serve the less fortunate individuals and families of Cloverdale with hampers, including non-perishable food, sundries and gifts, in order to make the Christmas season a happy time for those who might otherwise be unable to enjoy this time of year.

It is our mission to extend ourselves to serve the underprivileged and struggling individuals and families of Cloverdale in a practical way during a joyful, yet challenging season. This program relies on the generous support of individuals, schools, businesses and churches in our area.

DONATIONS, Cash, Toys, Gifts

The CCHP welcomes many families each

year. This means that over 275 children between birth & 18 years old (approx 80 are teens). Each year we set up a room where parents can shop for at least one gift item for each of their children to gift to them on Christmas Day.

We welcome new, unopened toys and gifts for children birth to 12 years old. Each year we find that we receive fewer gift items for boys between ages 7 and 12, please think of donating for this demographic, especially.

Because youth between 13 and 18 years old have different interests and needs, we are not always able to accommodate gifts for that age, depending on our donations. We hope to provide a gift card for these teens each

WHAT'S NEW'S IN TOWN?

The Cloverdale Community Kitchen began in 2011 when the City of Surrey and the RCMP approached Pacific Community Church and ask if they would provide meals for the homeless as another organization had closed their kitchen. The first meals were served from a small kitchen and everyone quickly realized a full size commercial kitchen was needed. Through community support and a grant from the Surrey Homelessness and Housing Society a full size commercial kitchen was completed in 2013. Currently they serve
